

Présente / Presents  
**Bonnie Kaplan**

**CURRICULUM VITAE**

January 2005

**BONNIE J. KAPLAN**

**PERSONAL**

Position: Professor, Department of Pediatrics  
University of Calgary  
2500 University Drive N.W.  
Calgary, Alberta T2N 1N4

Cross-appointed, Department of Community Health Sciences

-and-

Director, Behavioural Research Unit  
Alberta Children's Hospital Research Centre  
1820 Richmond Road S.W.  
Calgary, Alberta T2T 5C7

Telephone: (403) 245-0568 (Residence) FAX (403) 543-9100  
(403) 943-7363 (Office) email: kaplan@ucalgary.ca

Birth: January 6, 1947 - Canton, Ohio, U.S.A.

Citizenship: U.S.A.; and Canada (since 1988)

**EDUCATION**

1974-1977: Postdoctoral fellow, West Haven Veterans Hospital and  
Department of Neurology, Yale University School of Medicine.

1971-1974: Ph.D., Experimental Psychology (Psychophysiology).  
Brandeis University, Waltham, Massachusetts.

1968-1971: M.A., Experimental Psychology (Psychophysiology).  
Brandeis University, Waltham, Massachusetts.

1966-1968: B.A., Psychology (Honors).  
University of Chicago, Chicago, Illinois.

1964-1966: Butler University, Indianapolis, Indiana.  
Transferred to University of Chicago, 1966.

**EMPLOYMENT (TEACHING AND RESEARCH)**

1991-present: Professor of Pediatrics  
University of Calgary, Calgary, Alberta

- 2003 – present            Professor, Department of Community Health Sciences  
University of Calgary, Calgary, Alberta
- 1979-present:            Director, Behavioural Research Unit  
Alberta Children's Hospital Research Centre, Calgary, Alberta
- 1991-2000:              Professor of Psychology (affiliated with the Clinical Psychology Program)  
University of Calgary
- 1984-1991:              Associate Professor of Pediatrics and Psychology  
University of Calgary, Calgary, Alberta
- 1979-1984:              Associate Professor (Adjunct)  
Department of Psychology  
University of Calgary, Calgary, Alberta
- 1977-1978:              Research Associate (Faculty Rank)  
Department of Neurology  
Yale University School of Medicine  
New Haven, Connecticut
- 1974-1978:              Research & Education Associate  
Neuropsychology Laboratory  
West Haven (Connecticut) VA Hospital; and  
Research Associate  
Department of Neurology  
Yale University School of Medicine  
New Haven, Connecticut
- Spring &  
Autumn, 1976:            Adjunct Faculty, Division of Special Studies  
University of New Haven  
West Haven, Connecticut
- 1973-1974:              Associate in Research  
Department of Neurology  
Yale University School of Medicine  
New Haven, Connecticut

**PROFESSIONAL ASSOCIATIONS**

- Member, Canadian Psychological Association  
Elected a Fellow in May 1999
- Member, American Psychological Association
- Member, College of Alberta Psychologists
- Member, Society for Developmental and Behavioral Pediatrics
- Member, Canadian Society for Clinical Nutrition

**AWARDS AND GRANTS**

- B. Kaplan, National Institute of Mental Health Predoctoral Fellowship, 1968-72.
- B. Kaplan, Veterans Administration Career Development Award (Research and Education Fellowship), 1974-77.
- B. Kaplan and T. Yates, "Competence training in depressed children: A pilot study using physiological self-regulation," M.S.I. Foundation of Alberta, \$8,640, 1980.
- B. Kaplan, "Analysis of rodent electrocorticographic (ECoG) spindles," Natural Sciences and Engineering Research Council of Canada (NSERC), \$26,400, 1981-84.
- B. Kaplan, "Assessment of stress management training in reading disabled children," March of Dimes Birth Defects Foundation, \$16,770, 1982-84.
- B. Kaplan and H. Moghadam, "Assessment of stress management training in reading disabled children," M.S.I. Foundation of Alberta, \$55,362, 1982-84.
- B. Kaplan, J. McNicol, R. Conte, M. Haug, and H. Moghadam, "Nutrition and behaviour in hyperactive children," Alberta Mental Health Advisory Council, \$74,787, 1983-84.
- B. Kaplan, J. McNicol, R. Conte, M. Haug, and H. Moghadam, "Nutrition and behaviour in hyperactive children," NHRDP, Health and Welfare Canada, \$133,809, 1983-85.
- S. Whitsett and B. Kaplan, "The consistency of individual physiological responses to stressful stimuli," Alberta Mental Health Advisory Council, \$19,364, 1983-84.
- J. Fagan, B. Kaplan, and R. McArthur, "A randomized controlled trial of programmed reeducation and stress management training in adolescents with diabetes mellitus," The Charles H. Best Fund of the Canadian Diabetes Association, \$44,177, 1986-88.
- B. Kaplan and B. Wilson, "A comparative evaluation of sensory integration therapy," Alberta Children's Hospital Foundation, \$34,540, 1986-87.
- B. Kaplan and B. Wilson, "A comparative evaluation of sensory integration therapy," U.S. National Institute of Mental Health, \$185,944 U.S., 1986-89.
- J. Fagan, B. Kaplan, J. Raymond, and E. Edgington, "A pilot study to assess the efficacy of chronic administration of meclizine in developmental dyslexia," M.S.I. Foundation, \$7,955, 1987.
- B. Kaplan, "Five studies on nutrition-behaviour interaction," Alberta Mental Health Advisory Committee, \$16,010, 1988-89.
- B. Kaplan, B. Wilson, N. Pollock, and M. Law. "Reliability and validity of Clinical Observations of Motor and Postural Skills," The Hospital for Sick Children Foundation, \$28,075, 1989-91.
- B. Kaplan. "36-month post-baseline assessment of children who participated in a comparative study of Sensory Integration Therapy and Tutoring," The University of Calgary, \$5,000, 1990-91.

- B. Kaplan. "Followup of children in a study of diet and behaviour," Alberta Children's Hospital Foundation, \$9,560, 1990-91.
- B. Kaplan. "The association between learning disabilities and insulin-dependent diabetes mellitus," Alberta Mental Health, \$60,000, 1991-93.
- B. Kaplan. "Continued development of a test of motor and postural skills for children with learning and/or motor problems," Alberta Mental Health, \$6,521, 1991-92.
- B. Kaplan, L.L. Field, G. Fisher, S.M. Edworthy, L.R. Sutherland, and D. Dewey. "Developmentally disabled children (learning and attention-disordered) and their families," Alberta Mental Health, 5-year Mental Health Research Unit Award, \$1.25 million, 1992-1997.
- B. Kaplan, and B. Wilson. Technology Commercialization Phase I Award: Revision and Market Survey of a Test of Motor Skills for Children with Developmental Delays, Alberta Heritage Foundation for Medical Research, \$6,000, 1992-1993.
- B. Kaplan. "Reliability and validity of the Bruininks Oseretsky Test of Motor Proficiency," Alberta Children's Hospital Foundation, \$30,507, 1997-98.
- B. Kaplan. "Further evaluation of behavioural phenotypes of learning and attention disorders," Alberta Heritage Foundation for Medical Research, Mental Health Research Operating Grant, \$50,000, 1997-1998.
- D. Dewey and B. Kaplan. "Executive function in children with Attention Deficit Hyperactivity Disorder (ADHD)," Alberta Heritage Foundation for Medical Research, Mental Health Research Operating Grant, \$50,000, 1997-1998.
- B. Wilson and B. Kaplan. "Upward extension of the Clinical Observations of Motor and Postural Skills," Alberta Association of Registered Occupational Therapists, \$1,500, 1998.
- B. Kaplan. "Open trials of mineral supplements for childhood mood and behaviour problems," The John A. Wacker Foundation, \$12,900, 1999.
- L. Martin and B. Kaplan, "A randomized controlled trial of a nutrient supplement in the treatment of fibromyalgia," Health Research Fund, Alberta Heritage Foundation for Medical Research, \$36,000, 1999-2001.
- L.L. Field and B. Kaplan, "Genetics of phonological coding disorder (dyslexia)," Medical Research Council of Canada, \$109,000/year for 3 years, 1999-2002.
- B. Kaplan and D. Dewey, "Adult ADHD: Perceptions of childhood, attributional styles, and psychologic function in men identified in adulthood," Social Sciences and Humanities Research Council of Canada, \$50,000 spread over 3 years, 1999-2002.
- B. Kaplan, "Nutritional treatment of mental disorders," MSI Foundation of Alberta, \$100,000, 2001-2003 (declined).

Field, L.L. & Kaplan, B.J., “Genetics of phonological coding dyslexia,” CIHR, \$176,200/yr, 2002-2007.

Kaplan, B.J. & Davison, K. “Determinants of food choices in individuals with mood disorders.” Danone Institute, \$70,000, 2003-2005.

B. Kaplan, March-April 2003, Visiting Erskine Fellowship, University of Canterbury, Christchurch, New Zealand.

Kooistra, L. et al. Improving the diagnoses of 'mild' FAS and ADHD: The question of syndrome specificity. Alcoholic Beverages Medical Research Foundation \$117,420, 2003-2005.

Kaplan, BJ & Wilson, BN. “Identification of developmental coordination disorder by parent report.” Alberta Children’s Hospital Foundation, \$38,365, March 2004-2005.

B. Kaplan, S. Simpson, C. Gorman, S. Crawford, “Randomized, Placebo-Controlled, Phase II Trial of MCN36 in Adults with Bipolar Disorder,” Alberta Innovation and Science, \$588,756, 2004-2007.

S. Simpson, B. Kaplan, C. Field. “Micronutrient supplementation in normal, healthy adults: Impact on mood and immunity.” Holistic Health Research Foundation, 2004-2005.

#### **SCIENTIFIC REVIEW COMMITTEES FOR GRANTING AGENCIES**

Member, Research Committee, Alberta Mental Health Advisory Committee, 1988-1992.

Chair, Alberta Children's Hospital Research Committee, which administers the competition for the Alberta Children's Hospital Foundation research grants, 1991-1993.

Member, Provincial Advisory Committee on Health Care Research (PACHR), which administered the Health Services Research & Innovation Fund (HSRIF), 1992-1996.

Member, Alberta Health Collaboration Advisory Committee, Alberta Heritage Foundation for Medical Research, which administered the Health Research Fund (HRF), 1996-97.

Member, Research Grant Review Committee, National Health Research and Development Program of Health & Welfare, 1988.

Member, Scientific Administrative Review Committee, Alberta Mental Health Board, September 2001 – March 2003.

#### **INSTITUTIONAL COMMITTEES**

Member, Research and Development Committee, Veterans Administration Hospital, West Haven, Connecticut, 1975-77.

Member, Alberta Children's Hospital Research Committee, 1983 -1993

Chair, Alberta Children’s Hospital Research Committee, 1991-1993.

Member, Conjoint Medical Ethics Committee, University of Calgary Health Sciences Centre, 1987-1991.

Member, Faculty of Medicine Research Electives Committee, 1990-95.

Member, Search Committee for Chair in Pediatric Research, 1987-91.

Member, Search Committee for Chairperson, Department of Pediatrics, 1995.

Member, Search Committee for Head of the Division of Developmental Pediatrics, 1995.

Grassroots ACH, Alberta Children's Hospital environmental committee, Chair, 1991-96.

Member, University of Calgary Research Grants Committee, 1993-95.

Chair, Joint Faculties Research Ethics Committee, University of Calgary, 1994-1996.  
Member, General Faculties Council Committee on the Ethics of Human Studies,  
University of Calgary, 1994-98.  
Coordinator, Research Ethics Review, Programme in Clinical Psychology, University of Calgary,  
1994-98.  
Member, Executive Committee, Department of Pediatrics, University of Calgary, 1993-98.  
Member, Department of Pediatrics Promotions Committee, University of Calgary, 1996-98.  
Member, Executive Committee, Clinical Psychology Program, University of Calgary, 1996-97.  
Member, Program Council, Clinical Psychology Program, University of Calgary, 1994-2000  
Member, Student Academic Review Committee, Faculty of Medicine, 1997- 2001  
Chair, Student Academic Review Committee, Faculty of Medicine, 2001- 2003.  
Member, Executive Committee, Child Health Research Centre, 1998-2003.  
Member, Admissions Committee (Planning Subcommittee), Faculty of Medicine, 2003 – 2004  
Chair, Student Appeals Committee, Faculty of Medicine, 2003 -  
Member, Task Force to review Terms of Reference for Student Academic Review Committee and  
Student Appeals Committee, Faculty of Medicine, 2003-  
Chair, Research Ethics Appeal Board, University of Calgary, October 2003 –  
Member, Steering Committee for Alternate Funding Plan, Department of Paediatrics, July 2003-

#### **STUDENT SUPERVISION AND EXAMINATION**

T. Dalby (Ph.D., 1980, University of Calgary), committee member.  
J. Robinson (M.Sc., 1980, University of Calgary), committee member and de facto supervisor.  
B. Gillis (B.Sc., Honours, 1981, University of Calgary), supervisor.  
W. Meadows (Ph.D., 1982, University of Calgary), committee member.  
J. Robinson (Ph.D., 1984, University of Calgary), committee member and de facto supervisor.  
P. Edwards (M.Sc., 1985, University of Calgary), committee member  
D. Parker-Loewen (Ph.D., 1986, University of Calgary), committee member  
S. Regehr (M.Sc., 1987, University of Calgary), supervisor.  
L. Clement (B.Sc., Honours, 1987), University of Calgary, supervisor.  
C. Wolfe (B.Sc., Honours, 1987), University of Calgary, supervisor.  
M. Wuitchik (Ph.D., 1987, University of Calgary), committee member.  
G. Challis (M.Sc., 1987, University of Calgary), committee member.  
R. Klapauszak (M.A., 1988, University of Calgary), committee member.  
S. Parlow (Post Doctoral Fellow, University of Calgary, 1985-1988), supervisor.  
J. Hansen (B.Sc., Honours, 1989, University of Calgary), supervisor.  
D. Dewey (Ph.D., 1990, University of Calgary), supervisor.  
S. Crawford (M.Sc., 1990, University of Calgary), supervisor.  
C. Mathieson (Ph.D., 1991, University of Calgary), committee member.  
C. Scott (Ph.D., 1991, University of Calgary), committee member.  
N. Ogden (Ph.D., 1992, University of Calgary), interim supervisor.  
C. Missiuna (Ph.D., 1992, University of Toronto), external examiner.  
K. Colburne (B.Sc., Honours, 1992, University of Calgary), supervisor.  
D. McAllister (M.Sc., 1994, University of Calgary), supervisor.  
J. Rucklidge (M.Sc., 1995, University of Calgary), supervisor.  
C. Oke (M.Sc., 1996, University of Calgary), committee member.  
C. Bischoff (Ph.D., 1996, University of Calgary), external examiner.  
M. Glogauer (Ph.D., 1997, University of Calgary), supervisor.  
K. Burggraf (Ph.D., University of Calgary), 1997 candidacy examiner.

J. Erikson (M.Ed., 1997, University of Calgary), comprehensive oral examiner.  
J. Hauck (Ph.D., University of Calgary), 1998 candidacy examiner.  
J. Rucklidge (Ph.D., 1998, University of Calgary), supervisor.  
K. Kneppers (Ph.D., 1998, University of Calgary), supervisor.  
I. Shulman (Ph.D., 1999, University of Calgary), co-supervisor.  
P. Prout (Ph.D., 2000, University of Calgary), supervisor.  
K. Galbraith (M.Sc., 2000, University of Calgary), supervisor.  
E. Hawkins (B.Sc., Honours, 2000, University of Calgary), supervisor.  
T. Hill (Ph.D., 2000, University of Calgary), co-supervisor.  
K. Gibson (Ph.D., 2000, University of Calgary), candidacy examiner.  
B. Dye (Ph.D., 2001, University of Calgary), supervisor  
C. Mansley (M.Sc., 2001, University of Calgary), supervisor.  
K. Yaskowich (Ph.D., 2002, University of Calgary), co-supervisor.  
D. Brown (Ph.D., 2003, University of Calgary), supervisor.  
B. Dick (AHFMR postdoctoral fellow, 2002-03), supervisor.  
K. Galbraith (Ph.D., 2003, University of Calgary), supervisor.  
C. Halliwell (M.Sc., 2003, University of Lethbridge), external examiner.  
T. Banks (Ph.D., 2004, University of Calgary), supervisor.

Current:

B. Gibbard, M.D. (M.Sc., University of Calgary), committee member  
K. Davison (Ph.D., University of Calgary), co-supervisor  
E. Ivity (M.Sc., University of Alberta), supervisory committee member  
M. Huttenrauch (PhD, University of Port Elizabeth, South Africa), supervisor

**PRESENTATIONS** (since 1990)

Wilson, B.N., Pollock, N., Kaplan, B.J., & Law, M. (1990, June). "Reliability and validity of the clinical observations of motor and postural skills." Canadian Association of Occupational Therapists Conference.

Pollock, N., Wilson, B., Kaplan, B.J., & Law, M. (1992, April). "The clinical observations of motor and postural skills." Alberta Association of Registered Occupational Therapists Conference, Lethbridge, Alberta.

Wilson, B.N. & Kaplan, B.J. (1992, April). "Followup assessment of children studied for the efficacy of sensory integrative treatment," Alberta Association of Registered Occupational Therapists, Lethbridge, Alberta.

Pollock, N., Wilson, B., Kaplan, B.J. & Law, M. (1992, July). "The clinical observation of motor and postural skills," Canadian Association of Occupational Therapy, St. John's, Newfoundland.

Wilson, B.N. & Kaplan, B.J. (1992, July). "Followup treatment of children studied for the efficacy of sensory integrative treatment," Canadian Association of Occupational Therapy, St. John's Newfoundland.

Crawford, S.G., Kaplan, B.J., and Field, L.L. (1994, February). "Learning difficulties in children with Insulin-Dependent Diabetes Mellitus and their unaffected siblings," International Neuropsychological Society meeting, Cincinnati, Ohio.

Crawford, S.G., Kaplan, B.J., and Field, L.L. (1994, February). "The relationships among Insulin-Dependent Diabetes Mellitus, learning difficulties, and handedness," International Neuropsychological Society meeting, Cincinnati, Ohio.

Kaplan, B.J. (1994, March). Invited Lecturer, Mental Health Research, Mental Health Division Alberta Health, Edmonton, Alberta.

Kaplan, B.J. (1994, March). "Provincial Advisory Committee on Health Research, and the Calgary Network for Health Research," Department of Pediatrics Annual Retreat, Calgary, Alberta.

Wilson, B., Kaplan, B.J., Pollock, N., & Law, M. (1994, April). "The use of clinical observations of motor and postural skills with older children," World Federation of Occupational Therapists conference, London, England.

Wilson, B.N., Pollock, N., Kaplan, B.J., & Law, M. (1994, July). "Use of the COMPS with older children and adolescents," CAN-AM 1994 (The combined annual conference of the American and Canadian Associations of Occupational Therapists), Boston, Mass.

Kaplan, B.J., Wilson, B.N., Dewey, D., and Crawford, S. (1994, October). "The genetic basis of clumsiness, and its overlap with other disorders," Invited keynote address, International Consensus Building Conference on Children and Clumsiness, London, Ontario.

Kaplan, B.J. & Wilson, B.N. (1995, March). "Validation and marketing of a motor function test," Grand Rounds, Alberta Children's Hospital, Calgary, Alberta.

Kaplan, B.J. & Wilson, B.N. (1995, May). "Review of research on sensory integration treatment with learning disabled children," Child Health Research Symposium, Calgary, Alberta.

Kaplan, B.J. (1995, June). "Research in the Kinsmen Building: An historical perspective," Child Health Research Unit Rounds, Calgary, Alberta.

Kaplan, B.J. (1995, September). "The nuts and bolts of research ethics certification," Workshop on Scientific Integrity, Faculty of Social Sciences, University of Calgary, Calgary, Alberta.

Kaplan, B.J. (1995, December). "The link between immunologic variables and learning/attention problems," Invited Address, Behavioural Science Research Group, Hospital for Sick Children, Toronto, Ontario.

Kaplan, B.J. (1995, December). "The genetics of dyslexia," Genetics Rounds, Alberta Children's Hospital, Calgary, Alberta.

Kaplan, B.J. (1996, January). "Some causes of developmental learning problems," Child Health Research Unit Rounds, Alberta Children's Hospital, Calgary, Alberta.

Kaplan, B.J. and Field, L. (1996, February). "The genetics of phonological coding disorder, a specific form of dyslexia," Myriad Genetics, Salt Lake City, Utah, USA.

Rucklidge, J.J., Kaplan, B.J., and Crawford, S. (1996, February). "Developmental differences between same-sex and opposite-sex twins," International Neuropsychological Society, Chicago, Illinois.

Kaplan, B.J. (1996, March). Invited Keynote Address, 7th Annual Spring Symposium. Foothills Academy, Calgary, Alberta.

Kaplan, B.J. (1996, April). "Etiology of learning disabilities and attention deficit disorder," Second Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, Alberta.

Wilson, B.N., Crawford, S., Kaplan, B.J. (1996, June). "Interrater reliability of the Bruininks Oseretsky Test of Motor Proficiency," Canadian Association of Occupational Therapists Conference, Ottawa, Ontario.

Wilson, B.N., Pollock, N., Kaplan, B.J., & Law, M. (1996, June). "Marketing our Clinical and Research Knowledge," Canadian Association of Occupational Therapists Conference, Ottawa, Ontario.

Wilson, B.N., Crawford, S., Kaplan, B.J., & Klapauszak, R. (1996, June). "Defining handwriting problems in children and adolescents," Canadian Association of Occupational Therapists Conference, Ottawa, Ontario.

Kaplan, B.J. (1996, November). "Biological causes of learning disabilities," Invited address, 18th Annual Provincial Conference of the Learning Disabilities Association of Alberta.

Kaplan, B.J. (1996, December). "Studies on learning and attention disorders," Surveillance Branch, Alberta Health, Edmonton, Alberta.

Kaplan, B.J. (1997, March). "Causes of ADD," Invited Workshop for Red Deer Chapter of the Learning Disabilities Association, Red Deer, Alberta.

Rucklidge, J.J., Kaplan, B.J., Dite, G.S., and Hopper, J.L. (1997, February). "No evidence of testosterone's effect on the development of twins: A replication in a larger sample," International Neuropsychological Society, Orlando, Florida.

Kaplan, B.J. (1997, March). "Myths about Attention Deficit Disorder," Invited Keynote Speaker for Foothills Academy Spring Symposium, Calgary, Alberta.

Kaplan, B., Crawford, S., and Fisher, G. (1997, April). "Family dysfunction is more strongly associated with ADHD than with general school problems," Society for Research in Child Development, Washington, D.C.

Kaplan, B.J., Wilson, B.N., Dewey, C.M., & Crawford, S.G. (1997, May). "DCD is simply one manifestation of atypical brain development," Developmental Coordination Disorder III, Cardiff, Wales.

Kaplan, B.J. (1997, May). "Genetics of dyslexia," Invited address, Shaarei Tzedek Hospital, Jerusalem, Israel.

Wilson, B., Kaplan, B., Crawford, S., & Dewey, D. (1997, June). "Identification of children and adolescents with Developmental Coordination Disorder," Canadian Association of Occupational Therapists, Halifax, Nova Scotia.

Dewey, D., Kaplan, B., Wilson, B., & Crawford, S. (1997, December). Dyspraxia/DCD/SDMMF: Are we talking about the same thing?" MacKeith Meetings, Sponsored by The Royal Society of Medicine, London, U.K.

Kaplan, B.J. & Verhoef, M. (1998, January). "Ethical issues in research on complementary medicine," Medical Bioethics Study Group, University of Calgary.

Kaplan, B.J. (1998, March). "Women identified as ADHD in adulthood," Department of Psychiatry Rounds, University of Calgary.

Kaplan, B.J. (1998, March). Roundtable discussion on Attention Deficit Hyperactivity Disorder, Children and Adults: Medications, role of complementary therapies. 15th Annual Calgary Therapeutics Course, University of Calgary.

Kaplan, B.J. (1998, March). "Learning disabilities and attention problems: Research and causes," Invited presentation for the northern Alberta Learning Disabilities Association, Lac La Biche, Alberta.

Kaplan, B.J. (1998, April). The biological basis of learning and attention disorders," Invited address, annual meeting of the Alberta Association for Supervision and Curriculum Development, Calgary, Alberta.

Kaplan, B.J. (1998, April). "Is there such a thing as a discrete developmental disorder?" Invited talk, presented at the Fourth Annual Child Health Research Symposium, Calgary.

Crawford, S.G., Kaplan, B.J. and Dewey, D. (1998, April). "Different subgroups of learning difficulties and immunologic dysfunction: Is there a link?" Poster, presented at the Fourth Annual Child Health Research Symposium, Calgary.

Wilson, B.N., Crawford, S., Kaplan, B.J., Campbell, A., and Dewey, D. (1998, April). "The Developmental Coordination Disorder Questionnaire (DCDQ): Development, reliability and validity," Fourth Annual Child Health Research Symposium, Calgary.

Rucklidge, J.J., Kaplan, B.J., Dite, G.S., and Hopper, J.L. (1997, April). "No evidence of testosterone influencing developmental and immune problems in twins: A replication in a larger sample," Third Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary.

Kaplan, B.J. (1998, May). "Difficulty in defining the phenotype in psychiatric genetics," Department of Medical Genetics Rounds, University of Calgary.

Kaplan, B.J. (1998, May). "Neuroimmune aspects of cognitive development: Geschwind-Behan-Galaburda and beyond," Invited address, 19th annual conference of the New York Neuropsychology Group, on "Neuropsychology and the Neuroimmune Dialogue," New York.

Wilson, B.N., Crawford, S., and Kaplan, B.J. (1998, June). "Interrater reliability and validity of the Bruininks Oseretsky Test of Motor Proficiency," World Federation of Occupational Therapists Congress.

Rucklidge, J.J., and Kaplan, B.J. (1998, June). "Psychological functioning of women identified in adulthood with Attention-Deficit/Hyperactivity Disorder," Canadian Psychological Association, Edmonton, Alberta.

Rucklidge, J.J., and Kaplan, B.J. (1998, August). "Attributions and psychopathology in women identified with ADHD in adulthood," American Psychological Association, San Francisco, CA.

Rucklidge, J.J., and Kaplan, B.J. (1998, August). "Perceptions of childhood in women identified with ADHD in adulthood," American Psychological Association, San Francisco, CA.

Kaplan, B.J., Wilson, B., Dewey, D., Crawford, S. (1998, October). "Developmental Coordination Disorder: What is it, and how can we measure it?" Invited keynote address, Novartis Foundation Discussion Meeting on Developmental Coordination Disorder, London, England.

Galbraith, K.M. & Kaplan, B.J. (2000, September). Comorbidity of Attention-Deficit/Hyperactivity Disorder and internalizing symptoms. XXX Congress of the European Association of Behavioural and Cognitive Therapies, Granada, Spain.

Galbraith, K.M. & Kaplan, B.J. (2000, October). Comorbidity of Attention-Deficit/Hyperactivity Disorder and internalizing symptoms. Association for the Advancement of Behavioral Therapy, New Orleans, Louisiana.

Kaplan, Bonnie J. (2000, June). Dyslexia. Pediatrics Update for Pediatricians, Family Physicians and Nurses, University of Calgary, Invited Lecture.

Kaplan, Bonnie J. (2000, August). Nutritional supplementation for the treatment of mood instability. Invited, Best Practice Rounds, Psychology department, Alberta Children's Hospital, Calgary.

Kaplan, B.J. (2000, October). Dyslexia: Groundbreaking Research (Invited address). The Learning Disabilities Association of British Columbia. Victoria, B.C.

Simpson, S., Kaplan, B.J., and Gorman, C. (2000, December). Positive results from nutritional supplementation in mood disorders. Psychiatry Rounds, University of Calgary.

Gilger, J.W. and Kaplan, B.J. (2000 July). Atypical Brain Development: A Conceptual Framework for Understanding Developmental Learning Disabilities. International Congress of Psychology, Stockholm, Sweden.

Kaplan, B.J. (2000, November 26). Mood stabilization with a nutritional supplement (Invited address). Harvard University Medical School (McLean Hospital), Boston, Massachusetts.

Kaplan, B.J. (2000, November). Mood stabilizing effect of a nutritional supplement (Invited address). Behaviour Service, Alberta Children's Hospital, Calgary.

Kaplan, B.J. (2000, November). Mood stabilization with a nutritional supplement (Invited address). Alberta Mental Health, Calgary

Wilson, B.N., Crawford, S.G., Kaplan, B.J., & Dewey, D. (May 24-27, 2000). Development of a parent questionnaire to identify developmental coordination disorder. Presented at the Tri-Joint Congress 2000: Forging Ahead Together, Toronto, ON

Wilson, B.N., Crawford, S.G., Kaplan, B.J., & Dewey, D. (May 24-27, 2000). The relationship between proximal and distal motor control. Presented at the Tri-Joint Congress 2000: Forging Ahead Together, Toronto, ON

Dewey, D., Kaplan, B.J., Wilson, B.N., Crawford, S.G. (Jun 29-July 1, 2000). Comorbidity of developmental disorders. Presented at the Annual Meeting of the Canadian Psychological Association, Ottawa, Ontario

Dewey, D., Crawford, S.G., Wilson, B.N., and Kaplan, B.J. (2000, April). *Comorbidity of developmental coordination disorder with ADHD and reading disability*. Presented at the Sixth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB.

Wilson, B.N., Crawford, S.G., Kaplan, B.J. (April 4-6, 2001). Clinical observations of motor and postural skills (COMPS): Upward age extension. Presented at the Child Health Research Symposium, Alberta Children's Hospital, Calgary, Alberta.

Crawford, S.G., Dewey, D., Kaplan, B.J., Wilson, B.N. (April 4-6, 2001). The impact of learning and attention problems on daily functioning: A continuum of severity. Presented at the Child Health Research Symposium, Alberta Children's Hospital, Calgary, Alberta.

Kaplan, B.J., Crawford, S.G., Dewey, D. (April 4-6, 2001). Support for the concept of a continuum of severity in Attention-Deficit/Hyperactivity Disorder (ADHD). Presented at the Child Health Research Symposium, Alberta Children's Hospital, Calgary, Alberta.

Hsiung, G-Y.R., Kaplan, B.J., and Field, L.L. Localization of a susceptibility gene for phonological coding dyslexia on chromosome 11p15.5. Presented at the Annual Meeting of the Canadian Genetics Diseases Network, April 2001.

Wilson, B.N., Pollock, N., Crawford, S.G., Kaplan, B.J. (2001, May 25th) Clinical Observations of Motor and Postural Skills (COMPS): Upward Age Extension. Canadian Association of Occupational Therapists Conference, Calgary, Alberta.

Kaplan, B.J. A chelated mineral supplement successfully treats mood instability. Invited address, Society for Pediatric Research, Baltimore, Maryland, April 28, 2001.

Kaplan, B.J. Effective mood stabilization with a nutritional supplement. Oral presentation, World Assembly for Mental Health, Vancouver, B.C., July 26, 2001.

Kaplan, B.J. Can dietary nutrients (other than lithium) affect mood or behaviour? Invited address (Grand Rounds), Department of Psychiatry, Ohio State University, Columbus, Ohio, November 7, 2001.

Kaplan, B.J. Do micronutrients affect mental health? Invited address, Department of Nutritional Sciences, University of Toronto, March 19, 2002.

Kaplan, B.J. Dietary nutrients in the treatment of behaviour and mood problems. Invited address, University of Otago, Christchurch School of Medicine and Health Sciences, Christchurch, New Zealand, March 4, 2003.

Kaplan, B.J. Could suboptimal nutrition explain psychiatric symptoms? Invited address, University of Otago, Christchurch School of Medicine and Health Sciences, Department of Psychological Medicine, Christchurch, New Zealand, March 7, 2003.

Kaplan, B.J. Use of micronutrient supplements in psychiatric disorders. Invited address, Department of Psychiatry, University of Auckland, Auckland, New Zealand, March 18, 2003.

Kaplan, B.J. Could suboptimal nutrition explain some psychiatric symptoms? Invited address, Department of Psychology, University of Canterbury, Christchurch, New Zealand, March 26, 2003.

Dewey, D., Crawford, S.G., Kaplan, B.J., & Wilson, B.N. (2003, April). *Developmental coordination disorder: Associated problems in attention, learning and psychosocial adjustment*. Presented at the Ninth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB.

Kooistra, L., Crawford, S.G., Dewey, D., Cantell, M., & Kaplan, B.J. (2003, April). *Motor correlates of ADHD: Contribution of reading disability and oppositional defiant disorder*. Presented at the Ninth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB.

Brown, D., Crawford, S.G., Kaplan, B.J. (2003, April). Growing Up with Undiagnosed Attention

Deficit Hyperactivity Disorder (AD/HD): Associated Factors in Childhood and Adulthood. Presented at the Ninth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB.

Steiger, R., Crawford, S.G., Kaplan, B.J. (2003, April). The Effect of Head and Neck Posture on the Perceived Ease of Pill Swallowing in Normal Healthy Volunteers. Presented at the Ninth Annual Child Health Research Symposium, Alberta Children's Hospital, Calgary, AB.

Kaplan, B.J. (2003). "Nutrient treatment of adult bipolar disorder and childhood mood lability" Symposium presentation, Annual meeting of the American Psychiatric Association, San Francisco, California, May 19, 2003

Kaplan B.J. (2003). "Vitamins and minerals for ADHD and bipolar disorder" Special Interest Group presentation, Annual meeting of the American Academy of Child and Adolescent Psychiatry, Miami, Florida, October 17, 2003.

Kaplan BJ, Simpson JSA, Field CJ, Crawford SG (2004). "Multi-ingredient mineral and vitamin supplementation for the treatment of psychiatric symptoms," Oral presentation, First Natural Health Product Research Society meeting, Montreal, Feb 20-22, 2004
